Transparency Mauritius

Call for Expression of Interest for study on Identifying and Assessing the Prevalence of Sextortion in Mauritius

Transparency Mauritius, an independent, non-political and non-partisan body, affiliated to Transparency International (TI) invites expression of interest from researchers and research organization for the conduct of a research on Identifying and Assessing the Prevalence of Sextortion in Mauritius.

Deliverables:

· The selected service provider should provide a comprehensive report on Identifying and Assessing the Prevalence of Sextortion in Mauritius
· The medium used may be either English or French.
· The selected service provider will be requested to do a presentation of its findings.
· The final product should consist of a report with the methodology used, detailed findings, an executive summary and a Power Point Presentation.
· The selected service provider shall submit a detailed timeline of the research process and ensure the timely delivery of the service.
· Copyright of the report and all data collected during the research exercise shall become the property of Transparency Mauritius upon delivery of the product

Duration:
Two months as from date of signing the contract

Fees and Payments:
Researchers and research organisations are encouraged to submit their quotes. Prices quoted for the work will be paid upon completion of the work.

Submission of expression of interest:
Interested parties are requested to submit their expression of interest and price quotation in sealed envelopes with a curriculum vitae for individual researchers or the Business Registration Certificate for agencies, addressed to Transparency Mauritius, 6th Floor TN Tower, 13 Saint Georges Street, Port Louis or email to info@transparencymauritius.org by 25 October 2021 before 15:00 hrs.
